EMERGENCY DISMISSAL INFORMATION

During the course of the year it may become necessary to close school early due to icy roads or heating problems. Please complete this form and return it to school promptly. We wish to provide a safe arrival at home should it become necessary to dismiss school early. When this happens you will receive an automated phone call from the Superintendent using the PowerAlert system. For this reason it is important that you use the "PowerSchool Parent Viewer" link on our web page to keep your phone number updated if changed.
